PROFESSIONAL SUMMARY

Motivated Electronics and Communication Engineering (ECE) student with a strong interest in software development, AI, and IoT-based solutions. Passionate about developing innovative applications using React Native, Node.js, and MySQL. A quick learner with excellent problem-solving, teamwork, and communication skills, seeking an opportunity to build a successful career in the technology industry.

EDUCATION

Department: Bachelor of Engineering

(B.E.) – Electronics and Communication Engineering

College : VSB engineering college, karur

Expected Graduation: 2029

Higher Secondary (HSC) –84.5 %

SSLC – 83.4%

Sgoa -8.12

TECHNICAL SKILLS

- **Programming:** C, C++, Java, Python
- **Web:** HTML
- **Frameworks:** React Native, Node.js
- **Database:** MySQL
- **Tools:** GitHub, Postman
- **Core Subjects:** Digital Electronics

PROJECT

Smart OTP Classroom Attendance System

Technologies: React Native, Node.js, MySQL

- Developed a secure attendance system using one-time passwords (OTP).
- Enabled faculty to generate OTPs for each class session.
- Allowed students to mark attendance using a valid OTP within a limited time.

- Reduced proxy attendance and improved attendance accuracy.
- Maintained attendance records with an easy-to-use dashboard.

CERTIFICATIONS

Infosys

ACHIEVEMENTS

- Developed an innovative classroom attendance management project.
- Participated in technical workshops and college events..

SOFT SKILLS

- Problem Solving
- Communication
- Time Management

LANGUAGES

- Tamil
- English

CAREER OBJECTIVE

To obtain a challenging position in a reputed organization where I can apply my technical knowledge, continuously enhance my skills, and contribute to innovative projects while growing professionally.
